Classic 1 risks will convert to the Alliance UL Standard Plus Table B risk class. Classic 2 risks will convert to the Alliance UL Standard Plus Table E risk class. The UL table B sales illustration will need to be run by Sales Support, ext. 4003.

- A decreasing term life insurance rider may be allowed on the permanent policy, so long as the total face amount and risk class are not increased. If the term policy is 100,000 or greater, the permanent policy must be at least 25% of the total insurance amount of the converted policy. If the term policy is less than 100,000, the permanent policy must be at least 50% of the total insurance amount of the converted policy, but no less than the minimum base amount required in the UL policy.
- The conversion may take place prior to and including the Last Day to Convert shown on each policy schedule page. The Last Day to Convert will vary depending upon the policy term period.
- The policy can be converted to a permanent life insurance policy offered by GPM Life, for which a comparable underwriting class exists
